

Taking Human Rights Temperature of Your Classroom

1. At my school, students are safe.

2. People at school are treated the same no matter what they wear, who they hang out with, or what they like to do.

3. Students at my school do not allow mean actions or bad words in the school.

4. When someone is mean to another student, the person who was mean is helped to change his/her behavior.

5. People at my school care about my learning, health, and happiness.

6. When there is a fight or argument, teachers and students try to solve them without being violent.

7. My school welcomes people from many backgrounds and cultures.

8. When punishments occur, all students are treated fairly and equally.

9. At my school, we have enough time for recess and rest.

10. I am responsible for helping other students be safe in the school community.
